

Approval Engineer (gn) for Connected Products

(19097)

📍 Place of employment: Kaufering 📄 Type(s) of employment: AÜ, Mobiles Arbeiten, Vollzeit
📄 Salary range: 55000 - 80000 Euro pro Jahr 📅 Start of employment: As of now

A job is more than just a job. It should be the right fit for you, challenge you, and offer fair compensation. That's exactly how we see it at PAMEC. We connect you with companies that truly match your skills, goals, and ambitions. When you love your job, we know we've done ours right – and we've been doing just that since 1984.

For our renowned client, a leading international corporation, we are looking for a Approval Engineer (gn) for Connected Products.

This is what your day-to-day work will look like

- Growing demands **development projects** require **timely executions** of worldwide approvals for our devices
- Coordination with our **marketing and product development teams**
- Create **approval concepts** and **coordinate approval activities** with external bodies
- Close **collaboration** with **international locations, suppliers, development partners** and international test and approval institutes

What makes you a great fit

- A university degree in electrical engineering, information technology, mechatronics, or related discipline
- Proven experience in product certification and testing, with expertise in radio approvals / applications (e.g., Bluetooth, WiFi, LTE), to achieve global market access
- Strong teamwork and communication skills
- A collaborative mindset combined with a high degree of independent decision-making
- Analytical abilities, a proactive approach, and entrepreneurial thinking and behavior
- Courage to drive initiatives forward and a strong determination to succeed
- Very good English skills (written and spoken); German knowledge is an advantage

Your benefits

- Permanent employment contract with the opportunity for a long-term position at our partner company
- Compensation based on the GVP collective agreement, with the possibility of additional above-agreement allowances, holiday and Christmas bonuses, as well as a company pension scheme
- Employee referral bonus of up to **€ 400** through our "Refer a Friend" program
- Convenient digital processes, including **vacation requests** and **timesheet** submissions via **app, plus employee discounts** at various online shops

Ready for your next challenge?
