

Lab technician (gn)

(17403)

📍 Place of employment: Kaufering 📄 Type(s) of employment: AÜ, Heimarbeit/Telearbeit, Vollzeit 📄 Work hours: 40 Hours pro Woche 📅 Start of employment: As of now

Not all jobs are created equal. It should be a good fit for you, challenge you, and pay you fairly. We agree, which is why PAMEC connects you with companies that are truly the right fit for you. When you love your job, we know we're doing ours right - and we've been doing so since 1984.

Do you have a good grasp of chemical processes, enjoy experimental work, and want to help develop exciting products?

As **lab technician (gn)**, you'll have the unique opportunity to participate in exciting research projects and make a significant contribution to the development of cutting-edge technologies!

This is what your typical workday looks like

- Formulation preparation based on pre-defined recipes
- **Analytic assessment** of prepared materials with specific techniques such as (thermo-) mechanical and thermal analytic measurement
- Self-responsible organization of **lab work** and high accuracy in all operations
- Consideration of required **safety standards**
- Prototype preparation
- Support of **prototype installation** for testing
- Excellent, reliable **documentation** of results and observation and reporting to project team.

What sets you apart for this job

- Apprenticeship in a **chemical related field** or Bachelor/Master degree in **material sciences, chemistry, chemical engineering** or similar
- Strong in **communication** and willingness to work in a team
- **English skills**, German is a plus
- Professional experience in **chemical labs**
- Experience in **electronic documentation** / lab journals
- Practical and **hands-on talent**

Here are the benefits for you

- **Permanent position** with the option of a permanent contract at a partner company
- Compensation based on the GVP collective bargaining agreement, with the option of **bonuses above the standard rate, vacation pay, and a company pension plan**
- **"Refer-a-Friend"** bonus of up to **€400**
- Vacation requests and timesheets via app, employee discounts for online stores
